excella
experience the excellence

A decorative wrought-iron lantern hangs from a stone wall. The lantern is illuminated from within, casting a warm, golden glow. The stone wall is made of large, irregular blocks with visible mortar lines. The lantern has a rectangular frame with a grid pattern and ornate scrollwork at the bottom and top. The background is a textured stone wall with a warm, yellowish light.

About Us

The Excella group is an emerging real estate organization, with only one vision, to provide the luxury of having a Luxurious home for a common man. Excella, its inception, was done by founder Mr. K. Goel, who brings his 15+ years of experience & expertise in real estate, being associated with India's leading real estate companies. His vision to provide Luxurious life at least expensive price that is being established in form of Kutumb, the first milestone of Excella group. The group believes in Excellence beyond Imagination.

Going forward, the Excella group will actively seek opportunities in core areas of Country's infrastructure development. A well structured organization in which competencies and responsibilities are clearly defined to provide instructions to all the employees.

The Group believes that the reasons of their existence are the common people and their happiness is the one factor drives and motivates them.

Director Massage

It has been an exciting experience to witness the remarkable economic development of Lucknow. We are lucky to live in one of India's fastest growing economies evidenced by our young nation's diversifying markets and infrastructure development.

Our organization is fortunate enough to actively participate in contributing to the growth in coming decades by its operations. It is our main intention to avidly continue our contribution to Indian Economy.

Since our modest beginning, we have stayed true to our mission of delivering the finest quality services and products.

Through Excella, we want to achieve the excellence in Real Estate and also providing the luxury to common man in Lucknow. Setting up a new paradigm in Real Estate is what we always do.

We believe the success and growth of our business can be attributed to consistency in terms of standards and policies and to the efforts of our supportive local and international partners.

Mission

Our mission is to achieve the goal by continuously combining creativity and innovation with pioneering technology drives, know-how and top-of-the-line materials.

Vision

To turn pinnacle of luxury into an everyday experience by creating signature-class spaces for living, work, business and unwinding. Thereby to remain the first choice for customers who value excellence, above everything.

Why Choose Us

At Excella, we understand buying a home is one of the biggest decisions a human being can make (an important asset to you). We are not just any Upcoming Real Estate company, with vision of Mr. K Goel, to provide the luxury of classic property and residential accommodations, to the common man, we pride ourselves on being different in many positive ways:

We will guide you through the entire process, from viewing home and financing to making sure the final contract is in your best interest.

You will have full access to all the sample flats available, along with all the updates regarding the on-going work, via email and SMS.

Our expertise of local knowledge of the area will be invaluable to you, not just in terms of real estate, but also, schools, neighborhood, the local market and more.

We help home buyers to make decisions to invest in their 'KUTUMB' and make sure that you get the best value for your money.

Project Over View

Being the first milestone of Excella Group and with the vision of creating a luxury brand of home, which is affordable for a common man, project kutumb was initiated in 2015 itself.

With approximately 750 Units available in more than 6 acre area, come and experience the luxury in your Kutumb.

Project Kutumb, located at Sultanpur road, has all those luxurious amenities which we always look forward to have in our home.
